

If you would like your child to join the school but have established that there are no spaces in the year group through the application process, you may wish to join the school's waiting list.

To do so, please email office@ifjs.co.uk detailing your child's name, date of birth and your current address.

We ask you to contact the school TERMLY to remain on the waiting list and to advise of any change in circumstances (such as a new address). Please use the email address above, or phone the school office on 01277 353689.

Upon a space becoming available, each child will be ranked again in line with the published oversubscription criteria. Priority will not be given to children based on the date their application was received or their name was added to the list. Looked after children, previously looked after children, and those allocated a place at the school in accordance with a Fair Access Protocol, will take precedence over those on the waiting list.

Parents/carers should notify the school if they wish for their child to be on this list once per term in order to indicate a continued interest.

We look forward to welcoming you to our school.

Our admission arrangements are available below however, our admissions officer is happy to explain our admissions criteria further. For pupils joining at any other time apart from when they are four years old, the mid-year admissions procedure should be followed.
